- 1.2 These Terms are legally binding and, subject to clause 1.3 below, govern all dealings in financial products with us, and shall take effect from the date you (or your Trader on your behalf) first place a Request For Quote with us or we place a Request For Quote with you (or with your Trader on your behalf).
- 1.3 To the extent that you provide us with Brokerage Services, we agree to conclude any Transaction with you under your terms of business PROVIDED THAT you acknowledge and agree that your terms of business are amended so that:
- (a) the following clauses of these Terms shall be incorporated into your terms of business: clauses 5 (Relationship with us) and 6 (Trading Activities) to the extent applicable to Brokerage Services, and clauses 7 (Recording Conversations), 8 (Compliance with Applicable Regulations), 10 (Confidentiality), 11 (Privacy), 12 (No partnership), 13.4 (Liability), 15.2(b) (Representations and warranties) and 16.2 (Conflicts between your terms of business and incorporated clauses); and

- 1.4 Amendments to these Terms may be made by us pursuant to clause 20 below. Except as provided in clause 1.3 above, any additional or different terms stipulated by you or set out in any communication from you will not be effective or binding upon us unless agreed by us in writing.
- 1.5 These Terms replace all previous agreements and correspondence between you and Optiver in relation to the subject matter of these Terms. These Terms constitute the entire terms on which we will deal in financial products with you except where a Transaction is a trade executed under the Brokerage Service you provide to us, to which your terms of business and the clauses of these Terms incorporated in accordance with clause 1.3 above will apply. - 1.6 These Terms are subject to and are to be construed in accordance with the Applicable Regulations.

You must notify us immediately if, at any time, you cease to be or, as the case may

be, your Trader ceases to be an Institutional Investor or consider that you or, as the case may be, your Trader may no longer fall within the definition of an Institutional Investor. 4. Counterparty's Authority

Each of you and us represent and warrant to the other that it has the authority and power necessary to place RFQs and/or complete Transactions under these Terms and that it will comply with all Applicable Regulations.

5. Relationship with us and pre-hedging

- 5.1 You acknowledge that in placing a RFQ with us, we will not be acting as your agent or providing any other financial services and, subject to clause 5.3 below, that you will be acting as principal and not as agent for any other party.
- 5.2 Subject to clause 5.3 below, any Transactions will be conducted on a principal to principal basis and you acknowledge that Optiver may also receive or make RFQs and be involved with transactions with other Institutional Investors in relation to financial products.
- 5.3 We acknowledge that you may represent, or act as authorised representative, for a client of yours or for the benefit of another third party (each a "Client") when entering into a Transaction with us, provided that:
 - (a) you represent that you are duly authorised to enter into these Terms and act for such parties;
 - (b) in the event that you require us to settle directly with a Client you will provide us with the requisite settlement details in advance of the relevant Transaction and should such details not be provided in good time, we shall settle with you and you shall be responsible for on-settlement and any related costs with your Client; and
 - (c) you alone shall be liable in accordance with these Terms in relation to any Transaction entered into on behalf of your Client.
- 5.4 We acknowledge that you may appoint a Trader to place RFQs with us, and to enter into Transactions with us, as your agent on your behalf, provided that:
 - (a) you have first given notice in writing to us specifying the Trader as authorised to place such RFQs and enter into such Transactions as agent on your behalf, and you have included in that notice a list of the names and email addresses of each of the persons authorised to represent the Trader in placing such RFQs and entering into such

Transactions. We shall be entitled to rely upon the identity and authority of the Trader and any such persons until we receive written notice from you to the contrary;

- (b) we are entitled to rely upon any instructions (verbal or written), notice, request (verbal or written), consent, email, certificate, instrument or paper reasonably believed by us to be genuine and to have been properly executed or otherwise given on your behalf by the Trader;
- (c) except where we have written notice to the contrary, we are entitled to rely upon a certificate signed by two directors, or one director and the secretary, of the Counterparty as conclusive evidence of:
 - i. the authority of a person to act in accordance with that certificate; or
 - ii. any determination or any action by you described in that certificate; and
- (d) you alone shall be liable in accordance with these Terms in relation to any Transaction entered into on your behalf by the Trader.

5.5 You acknowledge that we may engage in pre-hedging activities consequent upon receipt of an RFQ and prior to execution of a Transaction in order to hedge our potential risk.

6. Trading Activities

- 6.1 Unless we are defined as an "Execution Broker" in a "give-up" agreement between us as contemplated in clause 6.2 below, in which case the terms of such agreement shall apply in respect of the subject matter of that "give-up" agreement, you acknowledge each RFQ we issue with respect to any proposed Transaction is subject to your execution, or instruction to your broker as relevant, to complete the Transaction.
- 6.2 Each party maintains responsibility for the performance and settlement of its obligations for each Transaction, either by delivery versus payment (DVP) settlement, or by crossing the Transaction directly, or by having the Transaction crossed by an executing broker engaged by each of the parties and given-up to their respective clearing brokers, or by confirming the Transaction to the relevant exchange, as the case may be (and, for the avoidance of doubt, notwithstanding any "give-up" agreement executed between us in which Optiver is defined as "Execution Broker", Counterparty acknowledges that Optiver has not been engaged to provide an executing broker service by the Counterparty).
- 6.3 We reserve the right to refuse to provide a response to a RFQ in our absolute discretion for any reason. You acknowledge that we are not required to enter into a Transaction, where to do so would constitute a breach of the Applicable Regulations. We will give notice of any refusal to act as soon as practicable but we shall not be liable for any loss whatsoever arising out of or in connection with our refusal.
- 6.4 Where requested by the Counterparty, Optiver may agree to quote or price "clean", i.e. reflecting a price or bid-ask spread without implicit costs associated with a trade. If applicable, such costs shall be disclosed in the trade confirmations. Notwithstanding the terms of any "give-up" agreement executed between us in which Optiver is described as "Execution Broker" and you as "Customer", Counterparty expressly acknowledges that any such agreement by Optiver to receive such payment shall not be construed as a service charge or commission and shall not change the principal-to-principal relationship between the parties.

7. Recording Conversations

You acknowledge that we may record telephone conversations with you to ensure that the material terms of each Transaction, and any other material information relating to a Transaction, is accurately recorded. We may record telephone conversations even if not required to do so by Applicable Regulations.

8. Compliance with Applicable Regulations

- 8.1 You will comply with all Applicable Regulations relating to anti-money laundering and financing of terrorism. You agree to provide us on request with all information that is necessary or appropriate for us to comply with such laws, including the provision of all necessary information for us to respond to any demand or requests from a relevant regulatory authority.
- 8.2 You must comply with any reasonable identification and/or identity verification checks or procedures that we may specify from time to time in relation to you or any other person for whom you place RFQs and/or enter into Transactions under these Terms.
- 8.3 You acknowledge that we may, in our reasonable discretion, refuse to conduct Transactions with you, cancel any Transactions or orders, or delay, block or freeze any Transactions if we believe it necessary to comply with Applicable Regulations relating to anti-money laundering and financing of terrorism and in accordance with our own internal policies and procedures. In these circumstances, we will not be liable to you for any resulting loss.

9. Errors

- 9.1 We will not be responsible for failure to give effect to, or for delays or errors in giving effect to, the Transaction as a result of any errors or omissions made by you and/or your Trader and/or your broker. You may contact Optiver if you believe a Transaction has been effected in error or not in accordance with the agreed Transaction. We will consult with our broker or the relevant exchange to endeavour to rectify any errors or omissions made by Optiver to our broker or to the relevant exchange in effecting the agreed Transaction.
- 9.2 We are entitled to rely on any document or communication which we reasonably believe to be a notification or an oral communication made by you without further enquiry.

10. Confidentiality

You and Optiver will treat all Confidential Information as confidential. Both parties agree that each party (in this clause 10, "X") may disclose the other party's (in this clause 10, "Y") Confidential Information to X's affiliates on the basis that the affiliates will treat such information as confidential and that X and its affiliates may disclose Y's Confidential Information to a third party in the following circumstances:

- (a) To those who provide services to X or act as X's agents on the understanding that they will have a commensurate obligation to keep the Confidential Information confidential;
- (b) To those who provide services to X or act as X's agents in making any trade or transaction reports for Y in respect of Transactions for the purposes of making any such trade or transaction reports;
- (c) To anyone whom X or X's affiliates may transfer or assign any of its or their rights or obligations under or in respect of, or enter into a Transaction in connection with, these Terms, in each case on the understanding that it or they will have a commensurate obligation to keep the Confidential Information confidential;
- (d) To any regulator, or to any other entity where X, X's affiliate, or X's agent, is required to do so by Applicable Regulations (including, without limitation, any transaction reporting, market transparency, or position reporting requirement), or by court order, or in order to provide services to Y; or
- (e) With the prior written consent of Y.

11. Privacy

- 11.1 In the course of conducting our business including processing RFQs or Transactions, we may collect or receive personal information about you, your directors, officers or relevant employees.

- 11.2 You consent to the collection, use and disclosure of any such personal information as described in our Privacy Policy and which can also be located on our Website (www.optiver.com).
- 11.3 You represent and warrant that you have undertaken all the necessary procedures under the Applicable Regulations in the collection of personal information to be delivered to Optiver.

12. No partnership

Nothing in these Terms or any other document between you or us shall create any partnership, joint venture, or relationship of principal and agent between you and us hereto or any relevant affiliates or subsidiaries, or provide either you or us with any right, power or authority, whether express or implied, to create any such duty or obligation on behalf of the other party.

13. Liability

- 13.1 You acknowledge that Optiver will not be liable in contract or tort (including negligence) or for breach of statutory duty or otherwise, for any indirect or consequential losses of any kind whatsoever (including loss of profit) arising under or in connection with these Terms.
- 13.2 Nothing in these Terms limits or excludes a party's liability:
- (a) for losses suffered by the other party arising out of the first party's fraud, wilful misconduct or deceit;
 - (b) for any liability that cannot be excluded or limited by law.
- 13.3 In the event of a delay in or failure of the settlement of a London Cross which is attributable directly or indirectly to any act, omission or conduct of a party or a party's clearing participant (a "**Settlement Failure**"), that party (the "**Defaulting Party**") irrevocably agrees to indemnify the other party (the "**Non-Defaulting Party**") against any and all losses, damages, costs and expenses (each a "**Loss**") which the Non-Defaulting Party may incur or suffer through or arising from the Settlement Failure. For the avoidance of doubt, a Loss shall include but not be limited to the amount of:
- (a) any reasonable legal fees incurred by the Non-Defaulting Party;
 - (b) any dividends which would otherwise have been due to the Non-Defaulting Party, together with (without limitation) such additional amounts as are necessary to ensure that the Non-Defaulting Party receives and retains the same amount in respect of any such dividends as it would have received and retained had it received payment of each relevant dividend directly from the dividend payer; and
 - (c) any costs of covering the Non-Defaulting Party's short positions in any financial instruments.
- 13.4 Without prejudice to any other rights that Optiver may have, hereunder or otherwise, you shall on demand indemnify and keep indemnified Optiver against any and all claims, losses, liabilities, obligations, damages, penalties, actions, judgments, suits, costs, fees, expenses (including reasonable legal fees and expenses) commissions, taxes or disbursements of any kind or nature whatsoever ("**Liabilities**") which may be suffered or incurred by Optiver or our related entities, subsidiaries or our or their officers, employees, representatives or agents as a result of your dealings (including, without limitation, your dealings through a Trader) in financial products with us or provision of Brokerage Services to us under these Terms causing Optiver or our related entities, subsidiaries or our or their officers, employees, representatives or agents to be in violation of, to the extent applicable, President of the United States' Executive Order 13959 of 12 November 2020, any amendment thereto or replacement thereof (including but not limited to Executive Order 14032 of 3 June 2021), and any of its implementing rules and regulations, other than Liabilities which result from our negligence, fraud or wilful default.

14. Information provided by Optiver

You acknowledge anything provided in writing by us will be provided in response to a RFQ or Transaction request and will be general factual information only. No information provided should be construed as financial advice by Optiver to you or your Trader that you or your Trader can rely on.

15. Representations and warranties

- 15.1 Each party represents and warrants to the other that on the date these Terms come into effect and as of the date of each RFQ or Transaction:
- (a) it has full capacity, power and authority to enter into, deliver and perform its obligations under and in accordance with these Terms;
 - (b) it is duly incorporated or created and validly existing under the laws of the jurisdiction of its incorporation or creation;
 - (c) the obligations under these Terms that are intended to bind it are fully binding upon it and enforceable against it;
 - (d) the entry into and performance of these Terms do not and will not conflict with any laws applicable to it or its constitutional documents;

 - (f) it has and will continue to have or hold all necessary licences, permits, consents and regulatory approvals necessary to perform its obligations under these Terms.
- 15.2 You represent and warrant to us that:
- (a) any information you have given to us is complete, accurate and not misleading and, where you subsequently determine that any information previously given to us was incomplete, inaccurate or misleading, you will notify us as soon as possible; and
 - (b) at all times your dealings in financial products with us or provision of Brokerage Services to us under these Terms comply with and do not cause us to be in violation of, to the extent applicable, President of the United States' Executive Order 13959 of 12 November 2020, any amendment thereto or replacement thereof, and any of its implementing rules and regulations.
- 15.3 You represent and warrant to us that at all times during your dealings in financial products with us or provision of Brokerage Services to us under these Terms you and, as the case may be, your Trader are either:
- (a) a non-resident of Australia for Australian tax purposes whose involvement in these Terms does not occur in carrying on business in Australia at or through a permanent establishment; or
 - (b) a resident of Australia for Australian tax purposes whose involvement in these Terms occurs in carrying on business in a country outside Australia at or through a permanent establishment.

16. Conflict with Applicable Regulations and other agreements

- 16.1 In the event of any conflict between these Terms (or any portion thereof) and any Applicable Regulations or other agreement now existing or hereafter entered into between the parties, then:
- (a) the Applicable Regulations will prevail over these Terms (or that portion); and
 - (b) unless otherwise agreed, these Terms will prevail over the other agreement.
- 16.2 Where, in the circumstances contemplated in clause 1.3 above, a Transaction is executed subject to your terms of business, in the event of a conflict between your terms of business and the clauses of these Terms that are deemed to be incorporated into your terms of business, the incorporated clauses shall prevail.

17. Material Interests

It is therefore possible that Optiver or its related entities, subsidiaries or its or their officers, employees, representatives or agents (together “the Optiver Group”) or another client of the Optiver Group may have interests, relationships and/or arrangements that give rise to conflicts of interest in relation to business that is transacted with you. Such conflicts of interest will be managed in accordance with our established policies and procedures. We shall take all reasonable steps to ensure that you receive fair treatment in the event that we have any such interest, or in the event of an actual or potential conflict of interest arising.

18. No Fiduciary Duty

You acknowledge and agree that:

- (a) these Terms and the trading of financial products between us pursuant to these Terms;
- (b) any prior relationship between us; and
- (c) any representations made by us to you in connection with these Terms or otherwise prior to the date on which you receive these Terms,

do not represent or imply any fiduciary relationship or any other category of commercial relationship recognised at law or in equity as giving rise to forms of specific rights and obligations, except the contractual rights expressly set out in these Terms. In conducting Transactions with you, we will be acting solely pursuant to a contractual relationship with you on an arm’s length basis and will not be acting as fiduciary to you or any other person (including your Clients or, as the case may be, your Trader). By accepting these Terms you will be deemed to have provided your informed consent to the exclusion of any such fiduciary relationship or duty.

19. Termination

- 19.1 These Terms may be terminated at any time with immediate effect by either party giving written notice to the other party.
- 19.2 Each party shall remain responsible for their obligations with respect to any actions and events taken or occurred prior to such termination which, for the avoidance of doubt, includes any obligations in relation to any outstanding trading activities and any obligations with respect to actions taken by your Trader.
- 19.3 Where, in the circumstances contemplated in clause 1.3 above, a Transaction is executed subject to your terms of business in the course of Brokerage Services, the clauses deemed to be incorporated into your terms of business in accordance with Clause 1.3 shall remain in full force and effect in respect of that Transaction notwithstanding the termination of these Terms.

20. Amendments

We may amend these Terms by written notice to you. Amendments will become effective on the date specified by us. Unless otherwise agreed, an amendment will not affect any outstanding Transaction or any legal rights or obligations which may have already arisen.

21. Notices

Unless otherwise agreed in writing, all notices to be given by us to you under these Terms shall be given at your last known address. All notices to be given by you to us shall be sent to the relevant registered office in clause 3 above.

A reference to any statute or to any statutory provision includes any statutory modification or re-enactment of it or any statutory provision substituted for it, and all ordinances, by-laws, regulations, rules and statutory instruments (however described) issued under it.

23. Third Party Rights

The parties do not intend to confer any rights on any person not a party to these Terms pursuant to the Contracts (Rights of Third Parties) Act 1999, and the parties may amend, vary or terminate these Terms in such a way as may affect any rights or benefits of any other person without their consent.
